PROGRAMS OFFERED

BACHELOR OF ARCHITECTURE (B. Arch.)

Five-Year Full-Time Undergraduate Degree recognized by COA and affiliated to UOM

MASTER OF ARCHITECTURE (M.Arch.) PROPOSED

Two-Year Full-Time Post Graduate Degree recognized by COA and affiliated to UOM

- Urban Design
- Landscape Architecture

DIPLOMA IN ARCHITECTURE - (D.IA.) PROPOSED

Full-Time Diploma program recognized by COA and Affiliated to MSBTE

DIPLOMA IN INTERIOR DESIGN (PROPOSED)

Full-Time Diploma program recognized by COA and Affiliated to MSBTE

DIPLOMA IN INTERIOR DESIGN & DECORATION (D.IN.)

Part-Time Diploma Program affiliated to MSBTE

VESCOA

Students will be encouraged to participate in live projects though the Research cell and Institutional consultancy of VESCOA. College will encourage students to spend more time in college and use all the resources like Library, Labs, Workshops and other resources to the full extent. The overall aim would be to sensitize student towards designing a sustainable humane habitat.

VISION

To develop a vibrant knowledge-oriented environment and a center of excellence in the field of Architecture towards creating sustainable humane habitat.

MISSION

- To inculcate the culture of value-based education.
- To develop an environment for research and sharing of knowledge.
- To enable learning towards excellence with professional disposition.
- To encourage creative innovation in the field of Architecture.
- To sensitize role and design for sustainable humane habitats.

VES COLLEGE OF ARCHITECTURE

BACHELOR OF ARCHITECTURE (B.Arch.)
(Five Years Full-Time Undergraduate Degree program recognized by Council of Architecture and affiliated to University of Mumbai)

Broadly divided into Three Categories

- Design
- Humanities
- Technology

Subjects Includes

- Architectural Design
- Allied Design
- Architectural Theory
- Architectural & Detailing
- Building Construction Materials
- Environmental studies
- History & Humanities
- Structural Design
- Professional Practice

The course includes a practical training in Semester VIII in a professional office. Apart from the mandatory courses several extra-curricular courses and activities are offered under Electives.

Electives

- Ekistics
- Architecture Writing
- Green Building
- Urban Landscape
- Chasing Masters
- Universal Design
- Urban Conservation
- Urban Design
- Advance Structures
- Sketching & Digital Mapping
- Model Making
- Furniture Design
- Lighting Design
- Product Design

College Projects

- Advanced Computer Software's
- Architectural Theory
- Library Reading
- Communication Skills
- Personality Development
- Research Studies

MASTER OF ARCHITECTURE (M.Arch.) - PROPOSED
(Two Years Full-Time Post graduate Degree program recognized by Council of Architecture and affiliated to University of Mumbai)

Urban Design

- Design Studios
- Planning Studies
- Urban Design History
- Planning Techniques and Procedure
- Transportation and Traffic for Urban
- Urban Design Theory
- Electives
- Research and Thesis
- Landscape Design and Urban Ecology

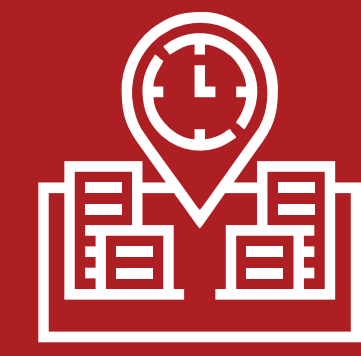

Landscape Design

- Landscape Conservation and Planning
- Landscape Resources & Values
- Landscape Professional Practice and Project Management
- Environmental Impact Assessment and Legislation
- Architectural research
- Electives
- Seminar

ABOUT VESCOA – SCHOOL OF DESIGN (SOD) Will help participants to develop into a prudent designer that inculcates value to lifestyle. The school enables the students to be Aesthetically, Socially, Economically, Environmentally, and Technologically considerate towards designing spaces for people. The school promotes the development of skill, knowledge, communications as well as critical thinking.

VESCOA - SCHOOL OF DESIGN

DIPLOMA IN ARCHITECTURE (PROPOSED)

(Full-Time Diploma program recognized by Council of Architecture and Affiliated to MSBTE)

Semester I

- Basic Mathematics
- Basic Science (Physics & Chemistry)
- Communication Skills
- Engineering Graphics
- Fundamentals of ICT
- Yoga and Meditation
- Civil Engineering Workshop

Semester II

- Applied Mathematics
- Construction Materials
- History of Architecture & Culture
- Applied Physics
- Basic Design
- Professional Communication
- Social and Life Skills

Semester III

- Architecture Design I
- Building Services
- Theory of Structures
- Basic Surveying & Levelling
- Building Construction Technology I
- Computer Aided Drawings I

Semester IV

- Architecture Design II
- Working Drawing
- Estimation & Costing
- Building Construction II
- Computer Aided Drawings II
- Electives
- Environmental Education & Sustain-ability

Semester V

- Architecture Design III
- Advance Building Services
- Professional Practice
- Design of R.C.C. Structures
- Computer Aided Drawings III

Semester VI

- Internship
- Dissertation Project / Thesis

DIPLOMA in INTERIOR DESIGN & DECORATION

(Part-Time Diploma program affiliated to MSBTE)

Semester I

- Basic Design
- Paraline Perspective
- Material Product & Market Survey

Semester II

- Construction Technique
- Residential Interior Design
- Primary Services

Semester III

- Secondary Services & Market Survey
- Advance Interior Design
- 2D CADD & 3D Modelling

Semester IV

- Communication Skills
- Construction Technique
- Advance Interior Design

Semester V

- Professional Practice In

Interior Design

- Working Drawings For Interior Design
- Interior Design For Special Purpose

Semester VI

- Project
- Industrial Training

MODULE BASED CERTIFICATE COURSE IN

INTERIOR DESIGN WITH SPECIALIZATION

(Full-Time Certificate Course by VESCOA)

Foundation Course

Module 1&2 :

- Design Studio
- Technology Studio (Construction & Services)
- Graphics Studio
- Design Theory
- Computer Graphics and Software
- Electives

Intermediate Course

Module 3&4:

- Design Studio
- Advance Technology Studio
- Advance Computer Graphics Software
- Professional Practise
- Electives
- Specialization Module

Advanced Course

Module 5 & 6 :

- Design Dissertations
- Office Management and Site Execution
- Electives
- Specialization Module

FUTURE PROSPECTS

- Design Architect
- Interior Designer
- Technical Architect
- Teaching Professional
- Project Manager
- Bim Manager
- Urban / Landscape Designer

- Working With Govt. Firms
- Housing & Urban Development Corporation
- Consultant
- Product Designer
- Set Designer
- Furniture Designer
- 3d Visualizer

- Graphic Designer
- Visual Designer
- Lighting Consultant
- Estimator & Valuator
- Interior Decorator
- Freelance Designer
- Landscape Designer
- Working With Firms
